Opt Out (of Stirrups) October Pledge Form

The High Desert Hunter Jumper Association (HDHJA) is a grass roots organization that makes horse showing more accessible to up and coming horses and riders in Central Oregon. The organization produces quality horse shows, hosts community events such as clinics and exhibitions, and offers social and educational opportunities to its members. In addition to offering low cost, high quality horse shows, HDHJA also provides scholarships and grants that enable local equestrians needing financial assistance to participate in horse shows and other events that would otherwise be cost prohibitive. All funds raised in Opt Out (of Stirrups) October are tax deductible, and go directly to HDHJA to expand our scholarship program and to host community events and horse shows.
