

HDHJA Scholarship Award

One junior or amateur member of HDHJA will be awarded a scholarship of \$500, generously donated by Timberline Farm. The awarded scholarship is to be used for furthering equine related education or participating in equine events approved by the HDHJA board. Funds will be held by HDHJA until they are paid directly to the show(s), clinic(s), or other activities for which the funds will be used. In addition to the awarded funds, several Central Oregon trainers have offered to waive training fees for the winner of the HDHJA scholarship for all 2024 HDHJA shows.

Applicants must be junior or amateur HDHJA members at the time of submitting their applications. All applicants will be required to take the horsemanship quiz that is included on the application in order to be considered for the scholarship. Application and horsemanship quiz must be submitted by email to timberlinefarm@live.com by December 15. The winning applicant will be selected by the HDHJA board and active committee members. The winning applicant will be announced at the HDHJA year-end banquet. If no winner is selected, the funds will be rolled over to be awarded the following year.
