

Don Kerron Sportsmanship Award

This perpetual trophy is awarded at the HDHJA Year End Awards banquet to a junior or amateur rider who has exemplified sportsmanship and horsemanship throughout the show season.

Don Kerron was a well known professional horseman in the Pacific Northwest. His father established the Portland Riding Academy, which he took over before establishing Sunwood Farm in 1969. He produced many top riders during his time in Portland, and later moved to Central Oregon with his wife Kathy, where he continued to pass on his knowledge and love for the sport.

Nominations must be submitted by email to HDHJA.board@gmail.com no later than December 1. The recipient of the grant will be selected by the HDHJA board and active committee members, and the winner will be announced at the HDHJA year-end banquet.
